2nd CALL FOR PAPERS
ICCSIS 2012

Emerging Information Technology and Telecommunication Solutions

November 2-3, 2012, Prishtina, KOSOVO

Organizers:

UBT - University for Business and Technology;
Faculty of Computer Science and Engineering

Co-organisers:

University of Vlora "Ismail Qemali";
Faculty of Technical Science

International Program Committee (tentatively):

Baltes J. (CAN)
Breitenecker F. (AUT)
Qarri A. (AL)
Gashi I. (UK)
Hajrizi E. (RKS), Chair
Hofbauer P. (AUT)
Jesse N. (GER)
Kopacek P. (AUT)
Krasniqi Xh. (UK)
Mili F. (USA)
Mirijamdotter A. (SWE)
Wagner C. (USA)
Schwaerzel H. (GER)
Seiler W. (AUT)
Shala P. (RKS)
Skenderi S. (RKS)
Sevrani K. (AL)
Stapelton L. (IRL)
Yayilgan S.Y. (NOR)
Yusuf S. (UK)

Organizing Committee (tentatively):

Abdyli L. (RKS)
Bajrami G. (RKS)
Bazini E. (AL)
Gashi B. (RKS)
Hajrizi E. (RKS), Chair
Haxhijaha S. (RKS)
Hyso A. (AL)
Pireva K. (RKS)
Prekazi F. (RKS)

Editors:

Edmond Hajrizi (University for Business and Technology)

Invitation to ICCSIS 2012:

We are pleased to be launching the **Call for Papers** to participate in the International Conference of Computer Science and Information Systems 2012 with focus on Emerging Information Technology and Telecommunication Solutions. The conference will be held in Prishtina, Kosovo, on 2nd and 3rd of November 2012.

ICCSIS 2012 Aim and Scope:

The aim of the conference is to further facilitate the exchange of knowledge between academic scientists, researchers, industry researchers and practitioners to increase collaboration while presenting and discussing different ideas, challenges, and potential solutions on established or emerging topics related to research and practice in computer science and information systems.

Topics: The scope of the conference will cover but is not limited to:

Software Engineering
Cluster, Grid and Cloud computing
Parallel and Distributed Systems
Virtualization Middleware
Information System Security
Telecom Industry Customer Care Excellence
Mobility across Networks
3G and 4G Wireless Technologies
Social Networking and Location-based Services for NGN
Communication and Networking
Mobile Ad Hoc, Sensor and Mesh Networks
Network Protocols
Computer and Web Applications
Intelligent Information Networks
Live and Virtualized Collaboration
RFID Solutions
Mobile Games
Autonomous Systems
Modelling and Simulation
Business Intelligence and Knowledge Management
Information Technology (IT) Project Management
Public Sector ICT
Social Computing and Collaboration
E-Health
E-Services and Competitive Strategy
IS in Education
Governance and Management of IS
Green IS and Sustainability

Paper submission:

Prospective authors are invited to submit high quality and original papers that have not appeared nor are into consideration in appearing in any other journal. The abstract can be submitted either for a poster (150 words) or a paper (300 words) in English language. Papers should be set out in accordance with IEEE format for Proceedings. Templates for MS Word and LaTeX as well as further instruction for authors are available at the website. All papers will be reviewed by the international board of the conference and the authors will be contacted accordingly.

Publication opportunities

The presented papers will be printed in the International Journal for Business and Technology (ISSN66488), Proceedings of the ICMBE 2012 and other related international journals with high impact factors.

Important Dates:

Abstract Submission:	**October 10, 2012**
Full Paper submission:	**October 12, 2012**
Acceptance notification:	**October 24, 2012**
Registration date:	**October 26, 2012**
Conference date:	**November 2-3, 2012**

Registration Fee:

	Early registration fee (Before October 23rd)	Late registration fee
Regular	€ 20	€ 30
Student, Retired	€ 10	€ 15
